

# Dulles Band Boosters Membership/Family Sponsorships

**Our Mission: The Dulles Band Booster Club will promote and encourage the support of all functions of the Dulles High School Band through volunteerism and fundraising.**

**Why should I join the Boosters?** Your \$20 donation or family sponsorship helps to kickstart our fundraising for the year. Our fundraising helps Dulles continue to have one of the lowest band fees in the district. We use the funds we raise during the year to pay for band supplies, halftime show props, entry fees, student meals, equipment, instrument repairs, music, clinicians, and other band needs as identified by the band directors.

**ALL BAND FAMILIES** are welcome and encouraged to join! **Your annual membership dues or sponsorship go directly to support our band program!** With ever increasing budget cuts to the arts & music programs, we need your support to improve our music programs, and to plan for healthy music programs for the future! By becoming a Booster Club Member, you help us do that!

**Individual Memberships are \$20.**

This \$20 donation goes directly to fund our band and entitles the parent or guardian of the band member voting rights.
