## Summer Greetings!

Don't forget to watch  
[End of the Year Video](#) for some special memories.

We hope everyone is enjoying their summer vacation and is gearing up for this new school year.

[Band Registration and Payments here](#)

I wanted to share a couple of things before we start our Summer Band. We are excited to receive everyone in a couple of weeks.

Our Color Guard will start Camp on July 17th, Mr. Parrot will send out an email with details. Mrs. Foster is our CG liaison.

Band Camp will start July 22nd, Mr. Dayrit will send an email with details.

We are seeking enthusiastic and committed parents to assist with various tasks. Join us in feeding the band, moving equipment, organizing uniform fittings, planning events, finding sponsors, and donations or offering a helping hand.

## Attention Band Parents!

Do you or someone you know need a new bed or mattress? On August 24th, we will host our first Mattress Fundraiser. This unique fundraiser simply requests your support in spreading the word and promoting the event. Kindly share the date and information with others to help make this fundraiser a success. All mattresses are brand new with a warranty.
